**MOTION TO SEAL**

Collin Davis, by and through counsel, hereby moves to seal Exhibits A and B to his Motion to Suppress Historical Cell Site Location Information and Evidence Derived Therefrom. As grounds therefore, Mr. Davis states that Exhibits A and B are affidavits filed by law enforcement to obtain the search warrants at issue in the motion to suppress. While they have been provided to the Defense as required by the Federal Rules of Procedure and local discovery rules, they were filed with the Court under seal. The affidavits contain allegations that likely cannot be introduced at trial because they are inadmissible under the Federal Rules of Evidence. Public disclosure of these affidavits, thus, could prejudice Mr. Davis' right to a fair trial.

WHEREFORE, Mr. Davis requests that the Court place under seal Exhibits A and B to his Motion to Suppress Historical Cell Site Information and Evidence Derived Therefrom.

Respectfully submitted,

JAMES WYDA  
Federal Public Defender for the  
District of Maryland
